Bangalore 29th January 2019: Meru, India's most trusted ride hailing service today felicitated 13 of its deserving children of driver partners who have performed well in their secondary, higher secondary school and college examinations. As an organization Meru believes in the importance of education towards the development of an individual and society as a whole and have been awarding annual scholarships to children of their driver partners in the past 11 years.

Commenting on the initiative, Mr. Nilesh Sangoi, CEO - Meru stated, *"For Meru, the drivers are our partners in true sense, who have helped to build one of the most trusted brands in the mobility sector in the country. For us and our driver partners, its one big family and our engagements go beyond daily monetary transactions. We constantly strive to make a real positive difference in the lives of our driver partners. Giving quality education to their children is of paramount importance to our driver partners. We hope that through this small initiative our driver partners' children get an opportunity to get quality education and make it big in life."*
